I am also under instructions
from Militia Head Quarters Ottawa

unless you can assure me that
ultimately you will be able to place

Lieutenant F. C. Hamilton,

Brockville, Ont.

Dear Mr. Hamilton:

I am sorry that I have as yet received no word from any American University of an appointment to which I can recommend you. Johns Hopkins University has written that their vacancy is filled. I wrote, however, some time ago to Washington to the Chairman of the Educational and Military Defence Council, but have not yet heard from him. As soon as I get any word I will let you know, and I only regret that so far no further request has come.

I am,

Yours sincerely,

President.

Dear Lieutenant Hamilton:

I have just received a request from the President of the University of Washington in Seattle asking whether I can suggest a name of a Canadian Officer who has seen service at the front and who may te atle to give military instruction qb their students. He says that they are not in a position to furnish very good salaries for military instruction, tut would like to know what financial arrangements could te nate in case of my sending a name forward. If you would like to take the position, will you let me know at once, if possitle ty wire, as to terms, and I will forward your name to Seattle.

I am,

Youre sincerely,

President.
